the democrats of the territory are having over the "spoils of victory." THE republicans "point with pride"

disposition of the offices. Among the awards at the World's Fair was a first prize to the Copper Queen Consolidated Mining company, of Bisbee, Arizona, for a collective ex-

hibit of copper ores.

ranks of the democratic party over the

Gov. L. C. Hughes, of Arizona, and his monial of esteem and regard.

THE postoffice department is advertising for bids to carry the mails on the star routes in New Mexico, Arizona, Utah and Idaho, from July 1, 1894, to June 30, 1898. Proposals will be received until 4 p. m., December 1st. Decisions will be announced on or before February 1, 1894.

It is thought that the bill for the rebe amended by the senate before it scholars .- Ex. passes that body. Many democrats who voted for it in the house consider it entirely too sweeping, and will be pleased to see it amended.

Ir seems that while some of the senthreats of retaliation in case the Geavy law was enforced, that moon-faced pacific task-that of assuring Secre- untion is the uncertainty regarding It ba cured and helped a great many of diplomate was engaged in a far more amended so as to give the Chinese in the United States a reasonable time to something definite known, the trade register he would pledge his government to see that they registered. The McCreary bill, which now has the right | ness done on that basis, fair encourageof way in the house until disposed of, ment to spread out would naturally folamends the Geary law so as to give the low. As it is, it is complete darkness Chinese six months to register, and ahead, and with depression in the air, modifies it in several other ways.

i westigating the workings of the de- moving. The scoured basis for choice partmental service. The figures in this warp wools is nominally about 34@36c. relatives.

A HEAVY increase in the amount of 20@26c. money in circulation was shown by the monthly treasury statement for Sepmonthly treasury statement for September 1, which showed an increase of almost a dollar per head of population as compared with the month preceding, the per capita circulation being estimated by the treasury officials at \$25.01. The statement just issued by the treasury department brings the total volume of circulation up to \$1.701.839, 918. This represents a nct increase for the month of \$21,377,247, and of nearly \$105,900,000 as compared with October 1 last year. On the basis of an estimated population of \$7,305,000, the treasury officials figure out a per capita circulation of \$25.29, which represents an increase of \$0.28 tor the month, and marks the highest point reached at any time within the last three decades.

The October number of the Irrigation October 1 last year of population of the count for this county has been postponed until Tuesday, the 28th day of November. There will be a long county officials figure out a per capita circulation of \$25.29, which represents an increase of \$0.28 tor the month, and marks the highest point reached at any time within the last three decades.

THE consumptive(?) train robber, Smith, who was recently turned loose Interesting Newsfrom Our Live Sister through the clemency of Governor Hughes, instead of "going home to die" like a good man, as the governor assured the public he would, went to Sonora, where he now lives and is to all appearances as strong and healthy a man as there is in that state. For a while he was lost to the authorities but they finally located him in Guaymas, where he was living with a Mexican family in a secluded portion of the town. When next seen he was at a side THE Gazette should cling to Governor Hughes as long as possible, as he will station on the Sonora railroad, in the be the last democratic governor of act of taking notes on a locomotive. Cal., from this place Friday. Possibly he was examining and admiring the beauty and complexity of its construction, but railroad men have a Salt river valley, where he has work. different opinion of his inquisitiveness and are reported to be watching him closely. In Sonora he goes by the name of Shaw .- Citizen, to the quarrel now going on in the

### School Statistics.

The official school statistics of Arizona are decidedly creditable to the territory. The total number of public schools is 211; number of scholars from six to eighteen years of age, 15,397; number of graded schools, grammar, 53; primary, 158; number of teachers, A PRESS report says: A number of 292; total expenditures for the last prominent people of official and private school year, \$206,845.68. The average tife tendered a reception tonight to pay of teachers is as follows: Apache county, \$70; Cochise, \$73.33; Coconino, wife, at the Fredonia hotel, as a testi- \$92.50; Gila. \$74; Graham, \$73; Maricopa, \$81; Mohave, \$75; Pima, \$73.88; Pinal, \$84; Yavapai, \$75; Yuma, \$80. The salary of principals is from \$90 to \$125 in all the counties except Yavapai, which pays from \$80 to \$125. Maricopa county has the greatest number of the Fort Mohave Indian schools, and J. scholars, 3,394, and Pima stands next with 3,154. Coconino county has the fewest teachers, six, but pays a greater average salary than any other county, \$92.50. Pinal county has but seven and the condition of the Indians there. peal of the federal election laws, which | teachers and 898 scholars, while Yuma was passed by the house this week, will county has eight teachers and but 482 while out hunting north of Williams

### Boston Wool Market.

The price of wool is nominally about the same as a week ago, but dealers as a rule are auxious to reduce their A PROCEEDING that is rather rough stocks, and will not quibble much over on the most disinterested parties in the any fair bid. Buyers are not to be affair is the order given by the board of tempted, however, and except the man supervisors of Coconino county to its ufacturer has use for the wool, low cistrict attorney to sue the bondsmen prices are no inducement for him to of the county treasurer who lost some stock up. The recent big purchases by of the county funds by placing them in a few large, buyers tended to steady the a bank that failed. The treasurer him- market at the time, but there is no saif was whitewashed and continued in doubt but the same grade of wools can his position, and then everybody shook be purchased as cheaply on the present hands all around, excepting the poor market. The repeal of the silver purbondsmen, who are ruefully inquiring chase clause would be apt to steady less. This was the only medicine that where they come in .- Tucson Enter- general conditions and thus help the sale of wool through a better demand for goods, but the expected tariff terrible disease; we believe it has no sational newspapers were crediting the change will tend to keep operations new Chinese minister with making down to a low point, however, no mat ter how good a tone prevails for other merchandise.

> of confidence all along the line. Wero gist, Waverly, Iowa. could adapt themselves to the new conditions to some extent, and with busiall are waiting.

The movement in territory wools is A FAIR idea of the extent to which quiet, but some fair lots are being the holding of office in the government placed from week to week. Prices favor departments at Washington has been the buyer right through, and as a rule made a family snap is given by one of any fair bid is not being refused. Stocks the reports made by the joint congression the market are not large, and there should committee which is engaged in is general anxiety io keep the wool report are decidedly interesting. They for fine medium, with choice fine quoted show that nearly one-fourth of the at 36(a40c., but concessions are readily 17,590 United States employes at Wash- made from these figures. Buyers are ington have one or more relatives in yet buying to finish up goods in course office, and that a considerable proport of manufacture, but to tempt them to tion of them have from two to seven go beyond this the most !beral concesrelatives in office while two individuals sions would have to be made. A fair have nine relatives each upon Uncle amount of Texas wool is on the market, Sam's pay roll. This showing is made which is quoted about the same as terup from statements made by the office- ritory. California wools move slowly, bolders and does not include distant with the secured basis nominally about 28@33c. for fall, with defective at

### \$1,000 REWARD.

Proclamation by the Governor.

TERRITORY OF ARZEST (
EXECUTIVE DEPARTMENT) (
To all to Whom These Presents Shall Come

To all to Whom These Presents Shall Come. Greeling:
Whermas, Information from authentic sources has been received by me that Frank W. Oury, a citizen of Turson. Plun county, was nurriered at Arivara. In the said county, on the 19th of September, 1838, by some person or nersons unknown:

Now, therefore, I. Charles M. Bruce, actian governor of Arizona, by virtue of the power and authority in me vested, do hereby offer a reward of One Thousand Dollars for the arrest and conviction of the person or persons who committed the aforesaid nuarder.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the great seal of the territory to be affixed.

Done at Phoenix, the capital, this excepty-first day of September, A. D., 1833.

[SEAL]

Acting Governor.

Attest:
F. H. Devenecx.
Ass't Secretary of Arizona.

Statehood Convention.

ROOMS OF STATEMOOD COMMITTEE. !
PHOENIX, Arlzona, Sept. 15, 1881. 
A territorial statehood convention is hore-by called to assemble in the city of Phoenis on the 27th day of November, 1823, to adopt

A territorial statement contention is hereby called to assemble in the city of Phoenix on the 27th day of November. Issue to adopt such measures as may seem appropriate to secure the admission of Arizona as a state and to select a suitable number of delegates to advance such cause before congress.

The convention will consist of seventy members, apportioned as follows: Apache county 6. Coconino 4. Cochice 8. Grainan 6. Gilla 4. Maricona 10. Mohave 4. Pima 10. Pimal 6. Yavapai 8. and Yuma 4.

Each county will select its delegates to such convention by the number it may deem advisable. It is carnestly hoped that the vital inteast involved will insure the accive co-operation of the entire people of the territory. Signed: J. W. Evans. A. C. Baker, Wm. Christy, N. O. Murphy, Henry E. Kemp, Jerry Millay, W. T. Smith, Frank Cox, E. H. Hiller.
